

### **Discussion Questions:**

What is one thing that stood out to you from this week's message?

What has been your experience of living in a missional way? What might that look like, if that's not how you've been living?

What does it mean to disciple as you are already going (vs. having to go far away to evangelize)?

What do you see in the early church that you, your group, or your church could emulate?

What particular needs do you see in your city, county, or region?

How might God have gifted you, your family, and your church to partner with other churches and organizations for the common good of a larger region? Think of some examples.

How can we pray for you?
