

Questions To Consider

What is one thing that stood out to you from this week's message?

Briefly share a time when God fulfilled a promise to you or your family.

In the story of Noah, God not only save humankind but the animals as well. God's salvation embraces all creation. As Christians, how can we be better stewards of creation?

God redeemed Noah and his family through his grace. What does it mean to you personally that God is your Redeemer? How does knowing God is our Redeemer help us in the storms of life?

After the rains stop and the ark comes to rest on the dry ground, Noah immediately constructs an altar and worships God. We do not need to build altars wherever we go, but can you make worship of God a higher priority in your life?

How can I pray for you?
