

Discussion Questions:

What is one thing that stood out to you from this week's message?

Have you or someone you know experienced being hurt by the church or by people who said they were Christians? How did it affect you?

Do you have areas of your life where you know all the right Christian answers, but your actions don't line up? Why is it easier to find fault in others than to face your own weaknesses?

What's something your local church, or the wider church, does well?

If your church were suddenly gone, would your local community notice? Why or why not?

How can we pray for you?
