

### **Discussion Questions:**

What is one thing that stood out to you from this week's message?

How do Ezra and Nehemiah refocus themselves on God in times of opposition through worship?

When you find yourself facing an obstacle, how do you handle the stress? What role does worship play in that process?

Why should the people of God put God first?

Have you ever had to say no to something you really wanted because you had to put God first? What was that experience like?

How can we pray for you?
