

Questions To Consider

What is one thing that stood out to you from this week's message?

How does living in an always-connected digital age distract you from following Jesus?

In what ways is technology becoming the new religion of our culture?

Rather than allowing humans to continue and grow in their sin, God came down and intervened. Confusing their language and causing the population to scatter was a sign of God's love and grace not to let humans continue to spiral more and more into sin. Describe a time when God, in his love and mercy, intervened in your life to keep you from more destructive behavior.

As those who live in a technological age, how do we not let technology control our lives and hinder us from pursuing a life of knowing, glorifying, and obeying God?

How can I pray for you?
