

Questions To Consider

What is one thing that stood out to you from this week's message?

What is your reaction to the thought that God tests you (Jeremiah 20:12)? What are the purposes of God's test? Does he want us to fail the test?

Describe a time when God tested you to reveal how you have grown as a believer and to highlight additional areas of needed growth?

Four different tests of God were mentioned: the love question, the obedience question, the worship question, and the faith question. Which of these tests have you experienced? How did you respond?

When we obey, give God our best, love him, and put our trust in him, those around us will be blessed by God also. How have the testings of God in your life prepared you for greater blessings?

How can I pray for you?
