BABY BOTTLE FUNDRAISER DRIVE – Today is Sanctity of Human Life Sunday, and we’re launching our annual Baby Bottle Drive to raise funds for Insight Pregnancy Services of Newaygo County. Today, we remember that all life is a precious God-given gift, from conception to natural death, and we’re thankful to partner with Insight in their mission to support parents with their unplanned pregnancies. **So, we invite you to take a couple baby bottles home with you, fill them with change/cash/check, remember to pray for Insight, and then bring them back to Pastor Patrick’s office by February 25.** Baby Bottles and more information about Insight are available to pick up at the Welcome Desk in the Family Room. Thank you!

WINTER SMALL GROUPS STARTING THIS WEEK! – We invite you to get plugged in to a Small Group this winter! If you’re not already a member of one of our small groups, then we invite you to explore the various small groups that we have and let us know which ones you might be interested in. Then, we’ll help connect you from there. Our study focus at most of these groups will be on the Gospel of John, which Pastor Patrick will finish preaching through, starting on January 28.

JOIN THE CHURCH FAMILY IN SERVING! – Have you found your place to serve at NWG Campus yet? **We encourage you to fill out the Volunteer Assessment Form on our website or app!** There are many places to use your gifts: Trinity Kids, Youth, Welcome Ushers & Greeters, Kitchen & Hospitality, Building & Grounds, VBS, Worship Team, Worship Tech, Office & Administration, Prayer, Care, Small Groups, Missions, and Local Outreach.
