

“FENDING OFF KILLER LIES WITH INTEGRITY”

April 14, 2024

Biblical Integrity allows us to:

Walk securely (Proverbs 10:9)

_____ our children (Proverbs 20:7)

Guide our decisions (Proverbs 11:3)

Ingredients for Biblical Integrity from Psalm 101

begins as a lifestyle of worship and _____ (1-2a)

is an integrity of our hearts lived out “in our _____” (2b)

_____ what is evil and clings to what is good (3-4)

does not tolerate _____ (5a)

does not endure _____-importance (5b-6)

will not condone _____ (7)

is a _____ walk, not a one-time choice (8)

Biblical Integrity can say,

“Imitate _____” (Phil. 3:17-19, 3 John 1:11-12, Heb. 6:11-12 and 13:7)

“... as I imitate _____” (1 Cor. 11:1)

Biblical Integrity can be care-fronted (cf. Gal. 2:14)

Our manifested level of Biblical Integrity is high when: those “younger” than us feel free to ask the _____ questions and make the _____ observations about what they perceive to be a lack of Biblical integrity in our lives, knowing we will _____.

This does not mean we should not teach our children and others we lead _____ us, speaking the truth in love, being gentle yet honest, not judging the motives they cannot see but mirroring back the methods (behaviors) they can see.

**Will we say: “I so want to be a man/woman of biblical integrity.
But I know that I can be inconsistent at times.
Will you please point out to me the inconsistencies you see
so that I can seek God’s help to address them?”**
