REFLECTING ON WHAT HAS BEEN MAGNIFIED

DO WE SEE H_____ or SELF-F_____?
in our use of spiritual authority (cf. Acts 19:14-16),
in our u_____ (cf. 1 Timothy 1:7),
in our sense of entitlement (cf. 1 Corinthians 4:7),
in our p_____s (James 4:15-17),
in our battles with a_____ to sin (cf. Hebrews 12:1 KJV).

“If we have merely been h_____d by our sin, and not truly humbled, we likely will go back to the mud of pride, self-assertion, and the sense of entitlement.”

“Humility is not merely declaring a “_____.” In our battle with sin, it is arrogance to think that all we need is another _____.”

“Humility admits we need _____ to cause us to be born again so that we don’t return to the vomit.”

“_____ admits we need the Holy Spirit’s help, by staying in step with Him, so that we can remain in fellowship with Jesus.”
