

“A VALIANT HEART AFTER GOD” -- Psalm 60

In the midst of “Hey, we’re not winning like we should . . .”

The Historical Situation:

For Our Instruction:

(1-3) . . . will we be _____ with our sovereign Lord?

. . . will we _____ God for His restoration and reparation work?

(4-5) . . . will we flee to His _____ as His _____ ones?

(6-8) . . . will we remember what God has _____?

(9-10) . . . will we press through our _____ and trust Him for “a breakthrough?”

(11) . . . will we stop trying to imagine that the _____ we need will come from anyone other than God?

(12) . . . will we make sure we are _____ . . . and do valiantly?
