Tied with our Vision Launch:

As you look to the holidays, brainstorm some ways that you can intentionally be IN YOUR COMMUNITIES. After sharing your ideas, pray together for God to open doors of opportunity. Then ask that He help you be aware of those opportunities and be filled with the Spirit to walk through the open doors He has provided.

Tied to today's sermon:

- What is the gospel and why is it good news? (you can look at the other side of the paper:)*
- Now pair off with someone else in your group and role play sharing the gospel. Or maybe have a few role play some different scenarios in front of the whole group.*
- When you think about the things you've thanked God for in the past, has your salvation been a primary item of thanksgiving? Why or why not?*
- Share some stories with each other about a gift or two you have received in the past and your response to those who gave you the gift.*
- Do you ever feel like you still are working to earn your salvation? How does this mindset work its way in to our thinking?*
- What would you do for the Lord if you knew it was impossible to fail?*
- Is there anything God has been asking you to do and you just haven't moved forward on it because it seems too unsure? Is it possible God wants you to "go long" and take the risk for Him even though there are some uncertainties?*
- Have a time of prayer together simply asking God for courage to do whatever He asks, knowing that in the end, we win!*
