

JOHN 21
"FOLLOW ME!!!"

April 7, 2024

(24-25) (John writes about Jesus)

(1-14) THE RISEN CHRIST IS REVEALED AGAIN.

Ultimately, we follow the crucified and risen _____, *not merely creeds, doctrines, or organizations.*

To address our _____ we must ultimately and first deal with _____.

(15-17) PETER IS RE-COMMISSIONED.

As we deal with Jesus, He will often press us to deeply reflect on our _____ and aspirations.

As we deal with Jesus, He will expect us to manifest our _____ by caring for His flock.

(18-19) PETER IS TOLD OF HIS DEATH.

As we deal with Jesus, He may call us to the ultimate sacrifice, but certainly to a lifetime of _____.

(20-23) JESUS TELLS PETER TO FOCUS ON HIM, NOT ON JOHN.

As we deal with Jesus, He determines our path, so we must personally and individually choose to follow Him, not _____ ourselves with others.

I believe Jesus wants me to address my _____.

I think I need to ask His help in exploring these motives and aspirations . . .

Jesus wants me to show my love for Him by giving of myself, even sacrificially, for the good of _____.

Jesus is calling me to die to myself this week by doing . . .

I must stop comparing myself to _____, and just follow Jesus in faith, love, and obedience.
