

Strengthen Your Walk with the Lord

Spiritual growth begins with salvation, but it is meant to continue as a lifelong journey of maturity and dependence on Christ. God uses His Word, prayer, stillness, fellowship with other believers as a means to nourish and strengthen our spiritual growth. True spiritual maturity shows itself through obedience, perseverance, gratitude and the faithful use of our God given gifts. Growth includes learning to stand back up after failure, trusting God's grace to restore and continue His Work in us.

Strengthening our walk with the Lord will be the focus of my talk this coming Sunday. We must form a steady and continuous relationship with God in order to realize spiritual growth as a Christian. This requires time and focus on our part. Each of us must work and apply ourselves to this process of spiritual maturity. I will provide some practical suggestions for promoting this growth.

The scriptures that will be covered in my talk include the following:

- Galatians 2:16
- Proverbs 3: 5&6
- Mark 1:35
- Philippians 4:6
- Romans 8:26
- 1 Thessalonians 5: 16-18
- Psalm 23: 4
- Psalm 25: 4&5
- John 8: 32
