A person stands on the peak of a dark, silhouetted mountain. The sky is a dramatic mix of deep blues, purples, and oranges, with a bright light source behind the person creating a halo effect. A jagged lightning bolt strikes down from the upper left, and a faint rainbow is visible on the right side of the frame. The overall mood is awe and grandeur.

“What is man that You are mindful of him...For You have made him a little lower than the angels, and You have crowned him with glory and honor.” ~ Psalm 8:4–5

2. Man, as Male and Female: *Binary Design Built-In from the Beginning*

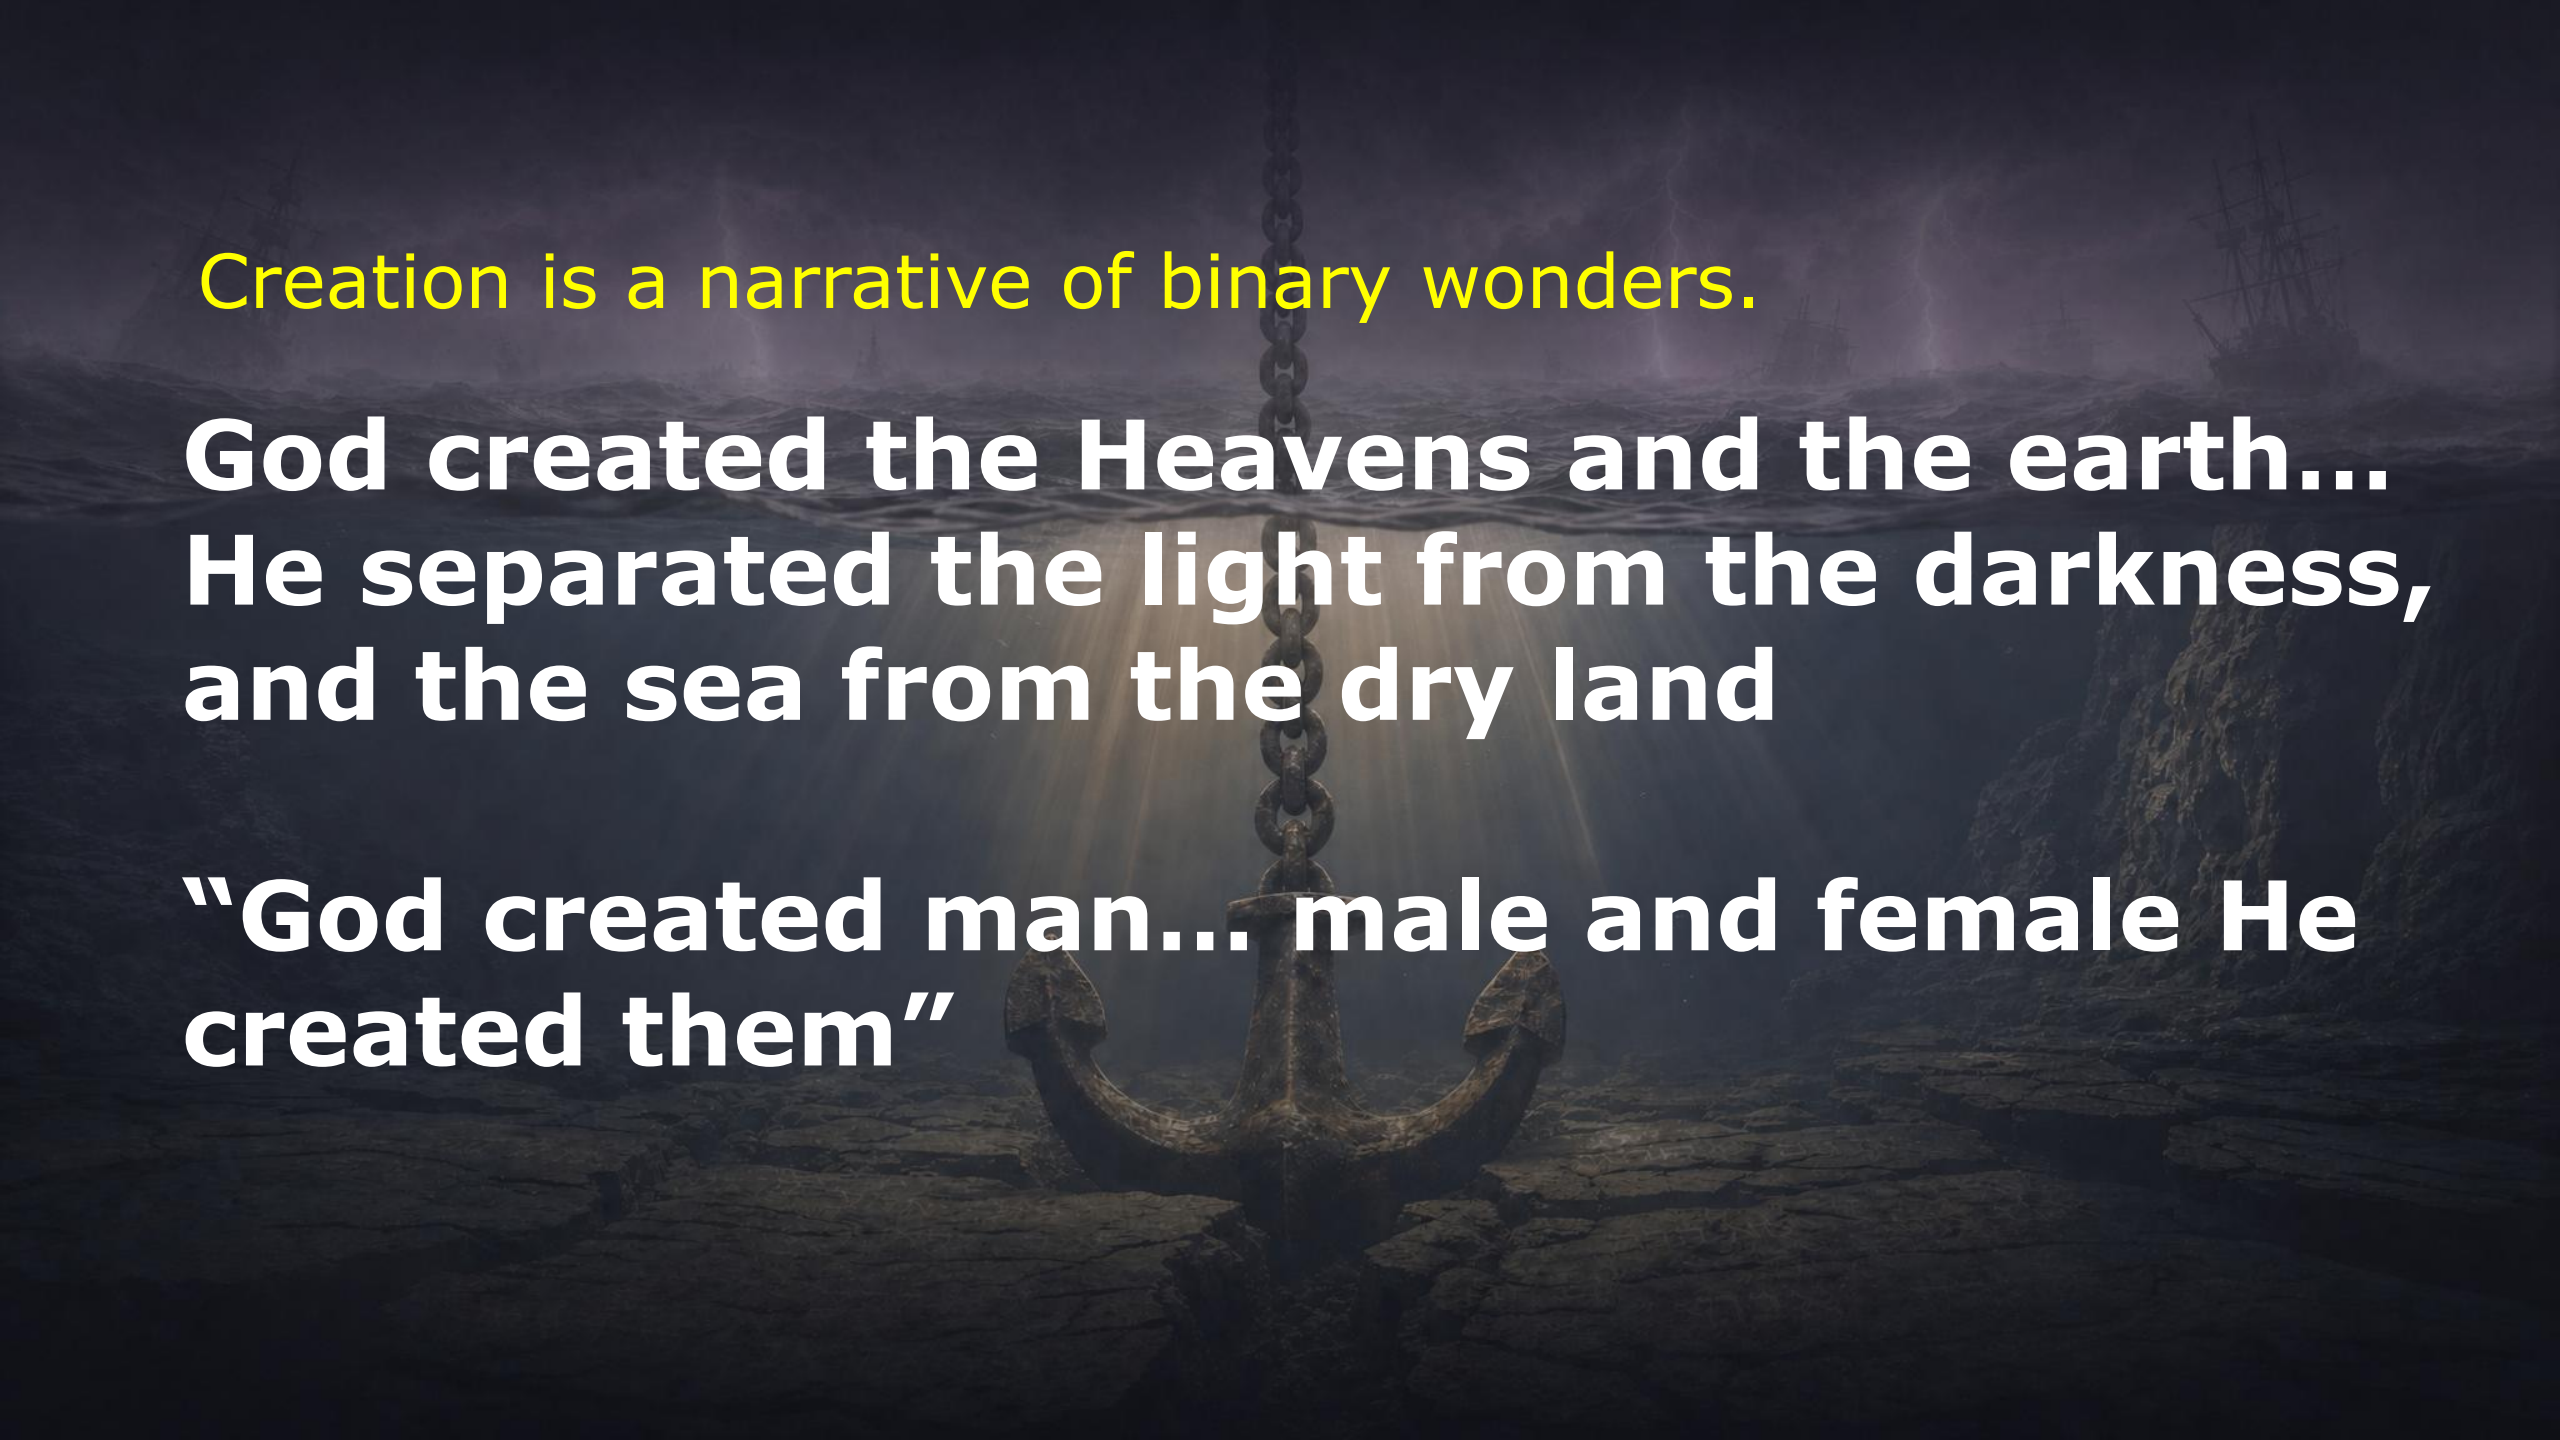

Genesis 1:27:

God created man in His own image, in the image of God He created them; male and female He created them.

A dramatic, dark scene with a large anchor in the foreground, a chain hanging from above, and a stormy sea with ships in the background. The anchor is a large, dark, weathered metal anchor with two flukes, resting on a dark, cracked, and uneven surface. A heavy chain hangs vertically from the top of the frame, passing through the center of the anchor. In the background, a dark, turbulent sea is visible under a stormy sky with lightning. Several sailing ships are visible on the horizon, their masts and rigging silhouetted against the dark sky. The overall atmosphere is mysterious and powerful.

Creation is a narrative of binary wonders.

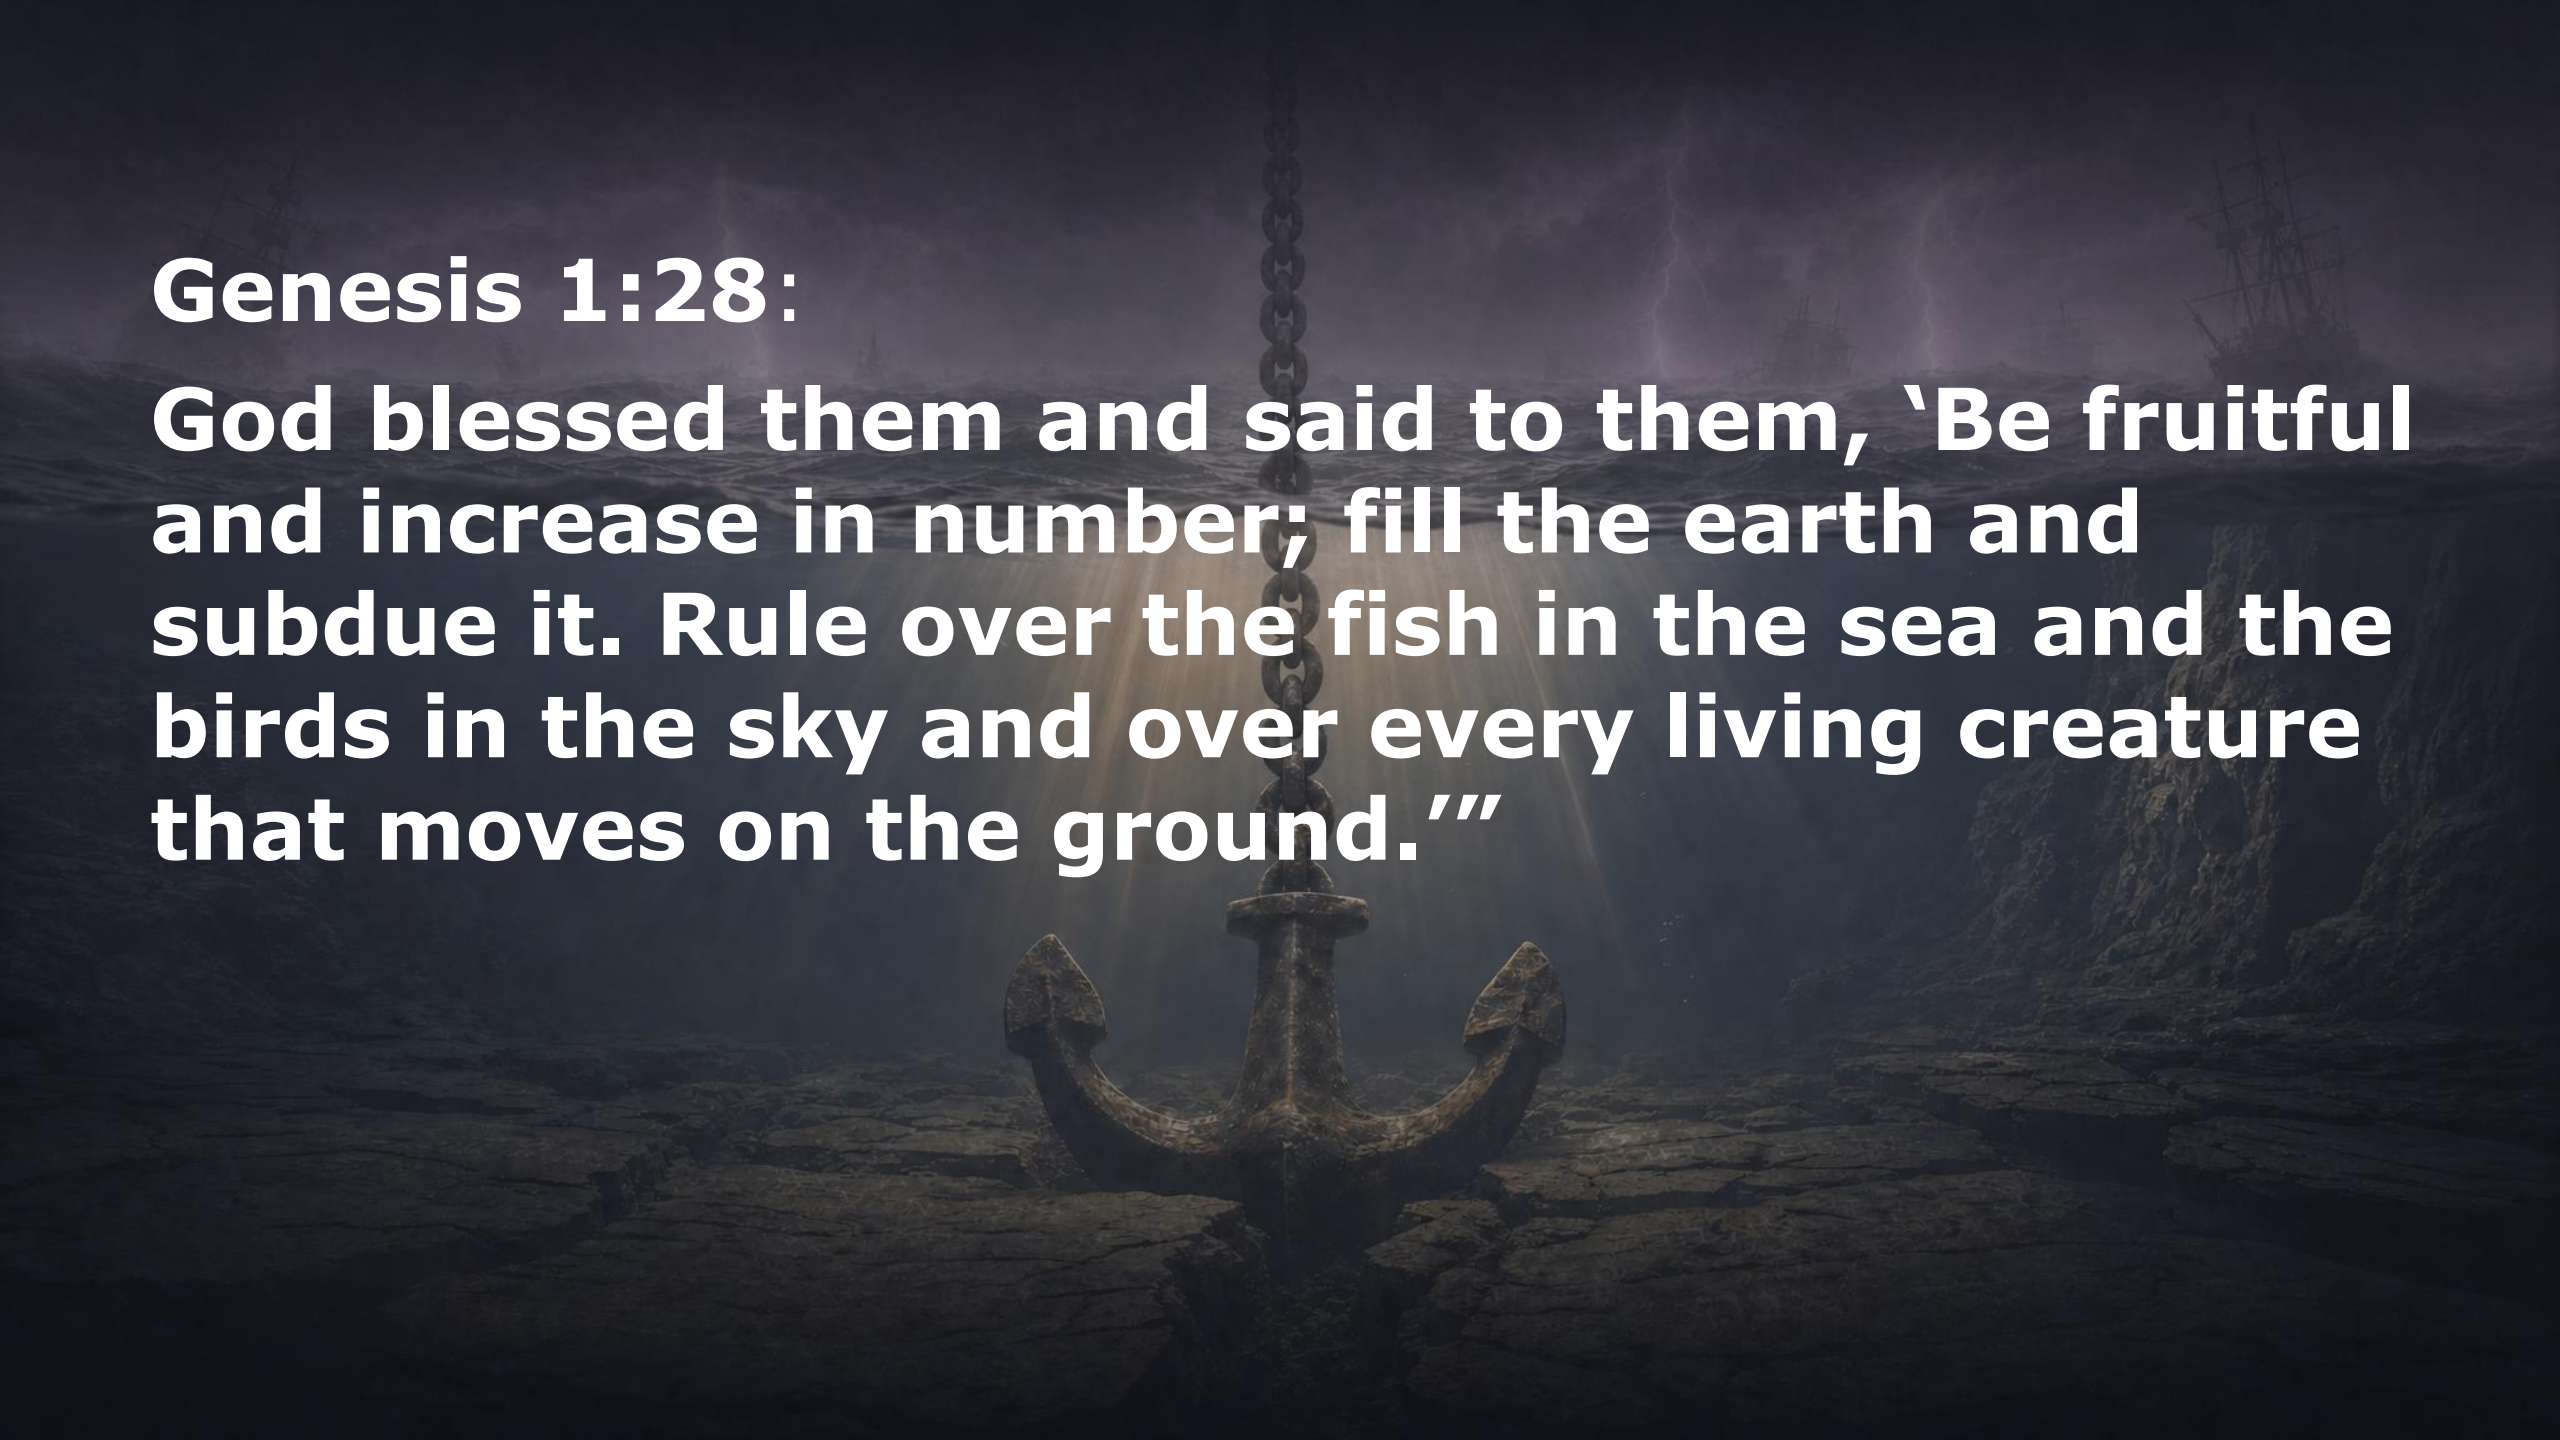

**God created the Heavens and the earth...
He separated the light from the darkness,
and the sea from the dry land**

To the woman: "I will make your pains in childbearing very severe; with painful labor you will give birth to children. Your desire will be for your husband, and he will rule over you."

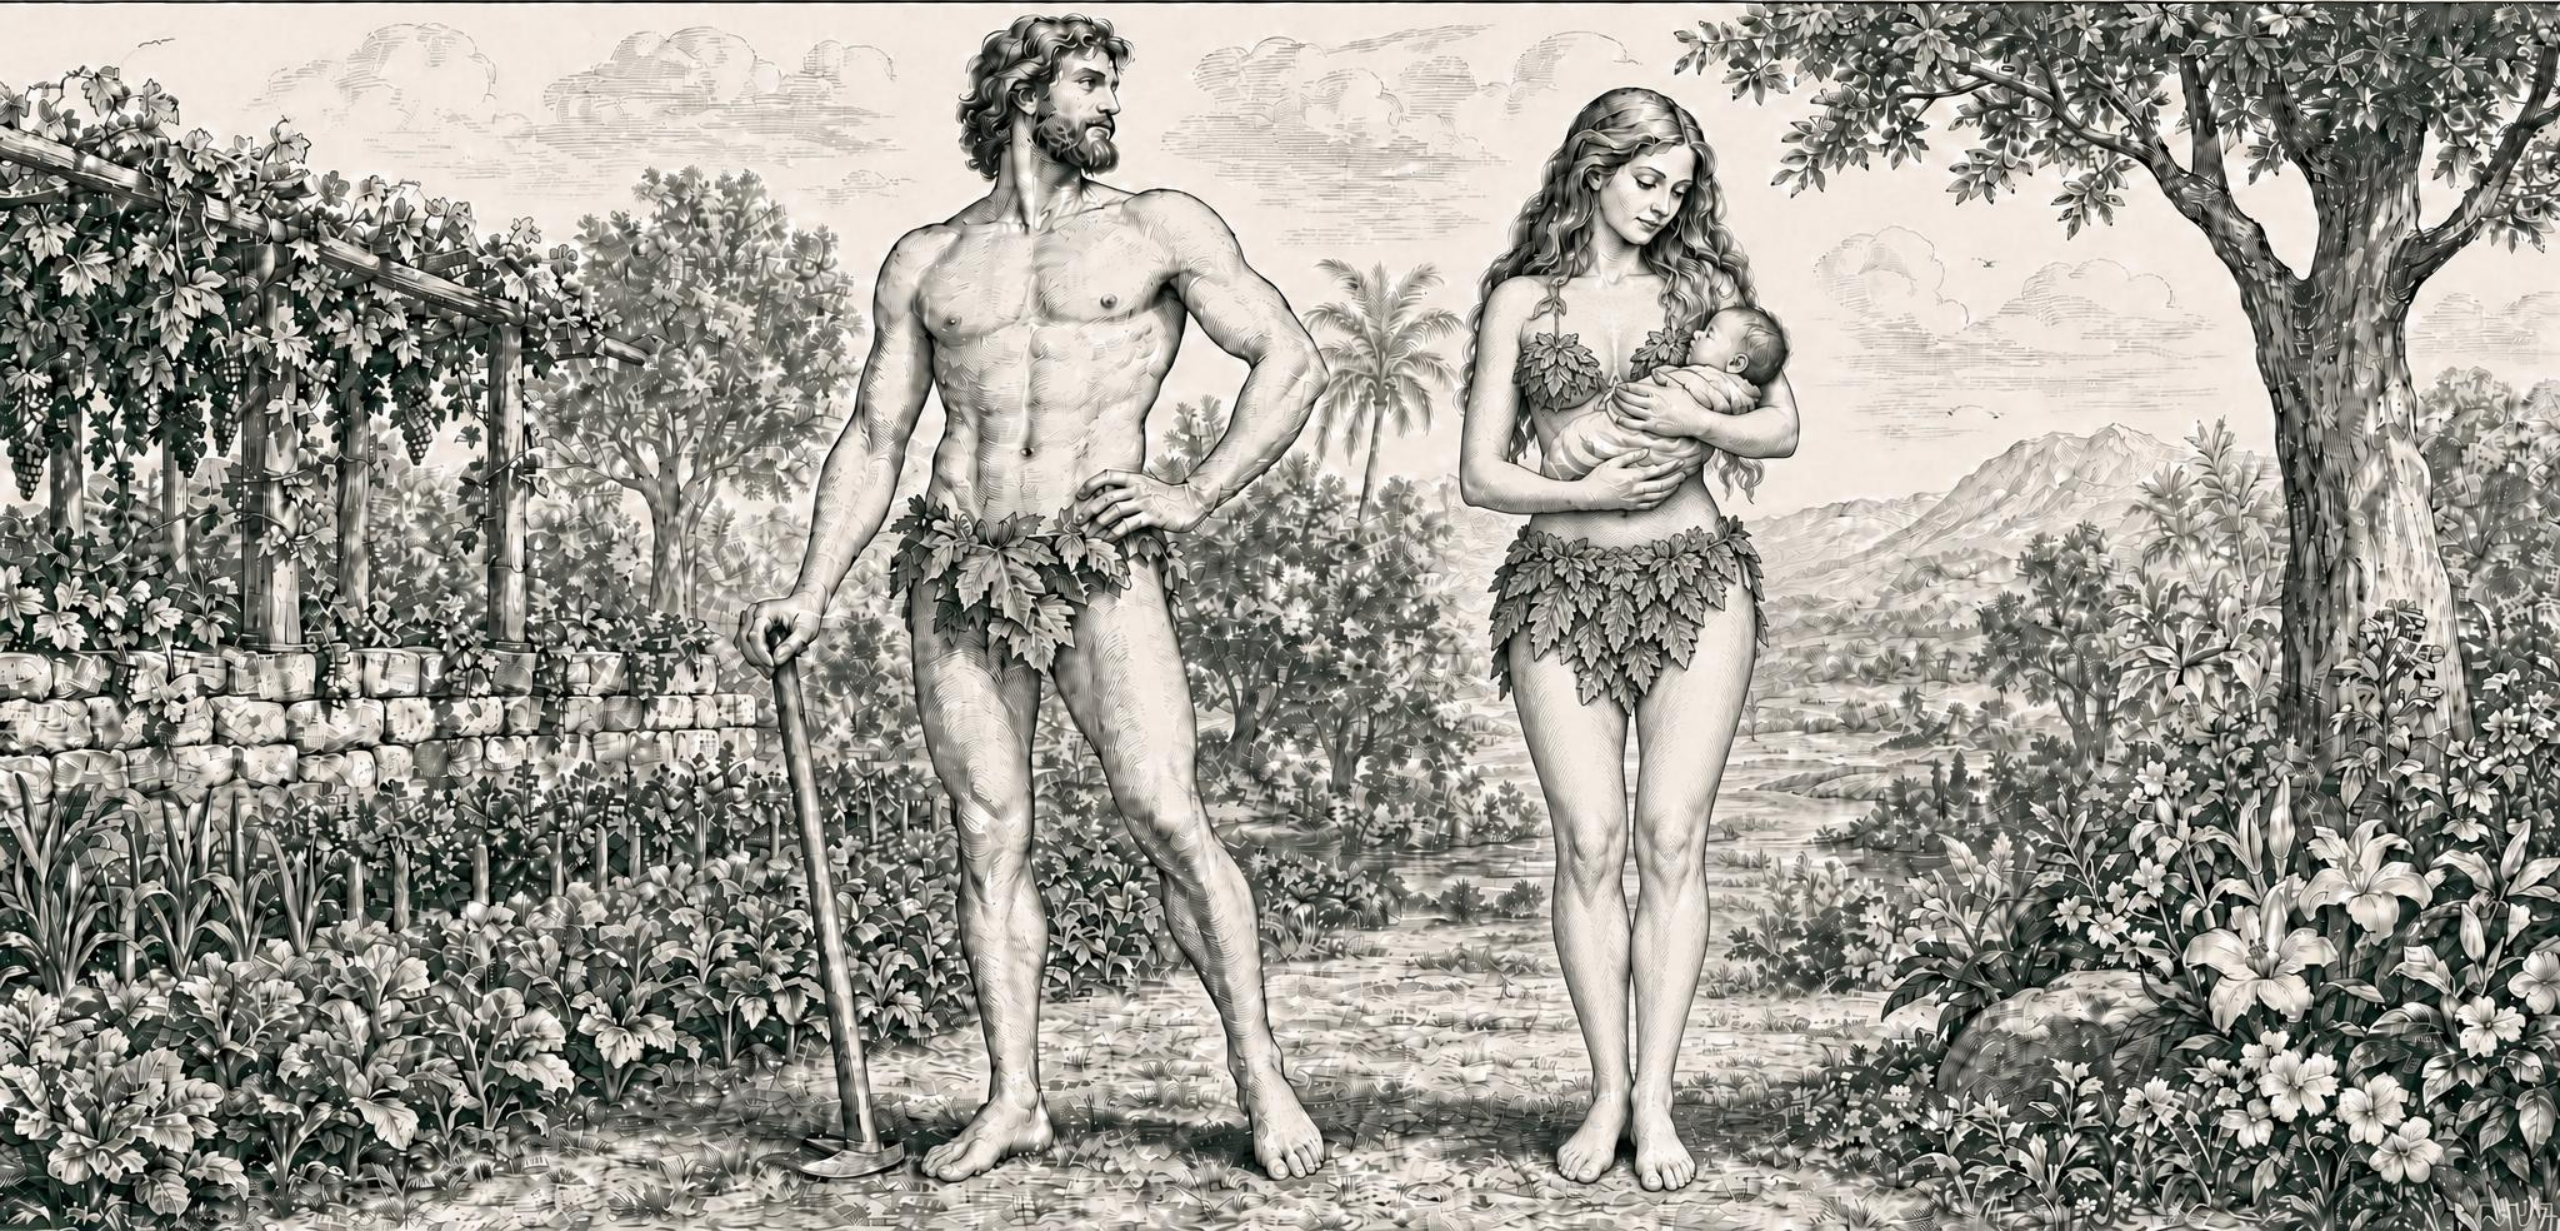

Genesis 3:17-19

To the man: "Cursed is the ground for your sake; in toil you shall eat of it all the days of your life... thorns and thistles it shall bring forth for you... in the sweat of your face you shall eat bread till you return to the ground."
