

UNSTOPPABLE

A JOURNEY THROUGH THE BOOK OF ACTS

“Religious leaders tried to muzzle their message, demonic forces and world powers tried to oppress them, shipwrecks and snakes sought to slow them down, persecutors intensely tried to beat, bully, imprison and kill them, but instead of killing the fledgling church it fueled a wildfire that swept across the first-century landscape.”

The Holy Spirit is one of the most under-appreciated, under-emphasized, underestimated, and misunderstood persons of the Godhood. When it comes to the Holy Spirit, his work, and his power there are a myriad of opinions.

No matter your church background. No matter your theological opinion. No matter our difference we can all agree the Holy Spirit is God and he's powerfully at work within the world, even today. God is not an absent landlord nor are we abandoned tenants.
