

What is the “Heart of a Woman?”

The heart is the core of who she is.
What she believes. Who and what she
worships. Her soul, mind, heart, spirit,
intuition, feelings, emotions, thoughts,
desires, intentions, delights, dreams,
priorities, self-image, reason, affections,
attitudes, treasures, memories,
motives, values, interpretations,
perceptions, discernment,
imagination, decisions,
and world view.

Look at the ships also: though they are so large and are driven by strong winds, they are guided by a very small rudder wherever the will of the pilot directs. ~ James 3:4

The heart is the causal core of your personhood. ~ Paul David Tripp

It can be basically described as man's control center for living. It involves his thoughts, intentions, belief, desires, and attitudes. Because all these things take place in the mind, we can say that the heart could be thought of as the mind. What a man [woman] truly thinks and believes about something is his [her] heart on the matter. ~ Stuart Scott

**Our Prayer for Ourselves, Our Families,
and for One Another**

Ephesians 3:14-21

¹⁴ For this reason I bow my knees before the Father, ¹⁵ from whom every family in heaven and on earth is named, ¹⁶ that according to the riches of his glory he may grant you to be strengthened with power through his Spirit in your inner being, ¹⁷ so that Christ may dwell in your hearts through faith—that you, being rooted and grounded in love, ¹⁸ may have strength to comprehend with all the saints what is the breadth and length and height and depth, ¹⁹ and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God.

²⁰ Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, ²¹ to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.
