WORSHIP CELEBRATION

Hearing assistance devices for service are available upon request

The window coverings remind us how dark and gloomy the disciples must have initially felt that first Easter morning. Replaying the recent events in their minds, a mixture of fear, grief, and uncertainty gripped their hearts. Many of them had watched helplessly as Jesus was crucified. Their hopes seemed to perish with Him. God felt distant.

At dawn, they headed to Jesus' tomb with the intent to embalm the body of their crucified Lord. Upon arrival, they noticed the tomb's stone entrance was rolled away and, to make matters worse, Jesus' body was missing.

In a matter of minutes, they would experience the most miraculous sight in all of human history—the resurrected Lord and Savior standing before them.

In just a few moments, light will flood the room and along with it the Hope of Eternal Life security by Jesus' glorious resurrection.

WORSHIPING GOD

We welcome all ages around the worship table as we sing, pray, and give—all for the glory of God

LISTENING TO GOD

We invite you to follow along as we read [John 20:1-9](#) and our pastor gives a message entitled: **“Jesus and the Resurrection”** from his series: *Jesus Up Close & Personal*

COMMITTING TO GOD

The service will conclude with a challenge, a song, and blessing. We encourage you to consider the next step in your walk with God.
