

MAY 2023

We are so glad you could be with us today. We encourage you to use this worship sheet, not to keep busy, but to help you engage in the things being talked about and listen carefully.

We know kids are wiggly and squirmy...That's OK!

We know there will be whispers and questions... That's OK!

Parents, feel free to quietly explain what is happening in the service. Encourage your whole family to participate in worshipping through all parts of the service.
