

SMALL GROUP QUESTIONS

- How can there be one God who eternally exists in 3 persons?
How can there be one Christ who eternally exists in 2 natures?
Why are both of these truths important in our faith?
- Why was it necessary for the author of light and life to enter into the world?
- What are the marks of the Creator that are evident in human beings that are not evident in other elements of creation?
- What causes separation from the Creator? What are the consequences of this separation?
- What motivates doubts in regards to the existence of God?
- Why do some see the light and not realize they need the light? What are some specific ways you have personally seen the light of Jesus reflecting off another human being?
- What are some specific ways that we can take Christ's light into the world? How can we be effective as a church in doing this? What does that look like?

FAMILY QUESTIONS

- Who is the source of light and life?
- How will God overcome sin and suffering in our world?
- What is our role in the overcoming of sin and suffering in the world?
