God is already working.

John 5:19 (ESV)

Even Jesus lived with awareness that the Father was already at work—and His role was to join in.

"Watch to see where God is working and join Him in His work" - Henry Blackaby

Isaiah 43:19 (ESV)

Ephesians 2:10 (ESV)

Acts 16:6–10 (ESV)

Joining in on what God is doing requires both initiative and flexibility.

The kingdom of God is not built by spectators, but advances through participants.

Joining in with God's work may feel insignificant, but our obedience drives significant impact in the kingdom.

God is not asking us to invent the future. He's asking us to walk into the one He is preparing for us.
