Seek First

When God becomes our first priority, everything else finds its proper place.

Seek God first...before we plan, strategize, create, set goals and establish expectations.

Matthew 6:33 (ESV)

Focus on the Kingdom first—and trust God with the rest.

Seeking God is not a passive, occasional or convenient pursuit.

Seeking God is an intentional pursuit.

Matthew 7:7–8 (ESV)

We are comfortable with God being important but struggle with God being primary.

Whatever we seek quietly first becomes what we trust most.

Prayer is not about informing God.

When we fast, we temporarily remove something that normally sustains us in order to remind ourselves that God is our true source.

Acts 13:2–3 (ESV)

Seeking God aligns us with His Kingdom, not just solutions to our problems.

Seeking God first doesn't make life simpler—but it makes life clearer.
