

**“You follow
me.”**

**Gospel of John part 40:
John 21**

**John ends not with parting
clouds, shining glory, or even
the empty tomb.
It ends with **footprints**.**

When you follow him, its not from mountaintop to mountaintop; its from breakfast to breakfast, meeting him in our every day. When you follow mountaintops, you may find some, and when you follow Jesus, you will find him. But they are not often in the same place.
