

A response to redemption

Ruth 1

A response
to
redemption

**We've got
to speak
of what it
is that God
has done**

A response
to
redemption

**Forsake all
other gods**

A response
to
redemption

**Unconditional
commitment**

“Because of what we know ABOUT God, WHO He is and WHAT He’s done, what is the appropriate way that we should be responding to the redemption that is offered and found in Jesus? WHAT should mark our lives?”

“God desires our heart, authentically, sincerely and in a way that has been enabled by him – and then us living lives marked by striving to give back to him what he’s already given and accomplished for us. Not the other way round, that would be religion”
