God is making the

most meaningful

difference in the

world and we long

to be part of it

From Genesis

to Revelation

there is

no higher

rank,

level,

or meaningful

identity

than

SERVANT

of

GOD

A man in a dark jacket and jeans stands on a modern staircase with light-colored steps and a dark railing. The background is a bright, minimalist interior with a white wall and a wooden floor. The scene is overlaid with several white text boxes containing a message.

You matter

because

God made you

and loves you

and died

for you.

But your *Life*

won't matter

unless

you become

a

SERVANT
