

What is the Bible?

What is the Bible to me?

The Bible is God's personal Word to us. In the Bible, God tells us how he made the world and why we are here. He tells us that his eternal Son, Jesus Christ, died on the cross for our sins and was raised from the dead, and that, because of this, we can live forever in heaven with him. Because God is always good and truthful, his written Word, the Bible, is worthy of our complete confidence and trust.

God's word is sharper than any
two-edged sword

God's word is a mirror into our
character

God's word is a living seed

God's word is a lamp and a light

God's word is as penetrating as
fire and as powerful as a hammer

God's word is:
