

Growing in Community

An inspiring journey of growth
and transformation

Growing in Community

- 1. Make Bread for yourself**
- 2. Test God and ask for proof**
- 3. You can have all the power and success you want**

Growing in Community

- I just don't have the time
- I don't think I need that
- I'm happy growing in my faith on my own
- Small Groups make me nervous, I don't want to get too personal
- I'm worried I'll get stuck in a group that never ends

Growing in Community

**What if your sole purpose for being in a group
or community is to be there for someone else?**

**What if God has a plan for your story to impact
someone else's life?**
