Luke Chapters 1 thru 11

1. A brief summary of where we have been:
 - Chapters 1-4 relate claims about who Jesus is, often by others - Mary, Zechariah, Anna, Simeon, Holy Spirit, John the Baptist etc
 - Chapters 5-8 relate the stories of Jesus showing His power over nature, demons, sickness, etc
 - Chapters 9-present is Jesus either showing Himself to be Messiah or making claims about Himself either directly or indirectly.

2. Take a look thru your Bible and share the passages and principles that have been most meaningful, impactful to you in Luke. What have you learned? What has changed in your perspective, in your life, in your attitudes, in your actions? God's Word is transformational – how has it been so to you personally in our study of Luke? What have you enjoyed about this study so far? Have you memorized any scripture? (if not consider 6:40; 6:45; 8:25; 10:20; 12:13:)
