

Park Hills SBSG Questions Step Wisely

1. Take a minute to say hello to everyone in song. Have fun with it! Then look over the whole passage Ephesians 5:13-19 and consider what verse 19 would look like. ***or *** What was a time that you were walking in the dark and it felt like a minefield?

2. How would you describe your walk right now? Check v2, 8, or 15 and consider whether these verses describe it.

3. Quickly come up with a list of all the verbs in v15-18. What are your takeaways from the verbs themselves? What does this say in our role of “walking rightly?”

4. Compare and Contrast: drunk/debauchery and filled with the Spirit. Why would Paul use these two to describe two different ways of living?

5. Have there been times that the Spirit prompted you to do things? Did you obey? What happened?
