

## **Park Hills SBSG Questions**

### **Luke 12:1-59**

1. What do you fear? (Big picture, not spiders and snakes 😊)
2. Have these fears changed as you have been following Christ longer? Is anxiety diminished as you walk with God longer?
3. What do we believe about the future and our eternal destiny? How should this protect us from anxiety in this world? What is my heart so attached to in this world that I am unwilling to release to Jesus?
4. Read thru this passage (yes all 59 vs. 😊) and list as many things as you can that Jesus suggests we NOT worry about. How are you doing? Why does Jesus say we need not worry?
5. Given these words of Jesus, how should we rethink our perspective on eternity and all that we “own.”
