

Park Hills SBSG Questions

Acts 3

1. How has knowing Christ changed your life for the better?
2. This man can leap around and live life to the full! Read John 10:10 - in what ways does this miracle help this man "live life to the full?" In what ways would the man still be limited in this life?
3. Read Acts 3:1-10. How does the Spirit's miraculous healing of this man lead to worship? How does this healing allow the man to worship God? How do the other people in the temple respond in worship to this miracle?
4. Read Acts 3:11-13. Who gets the credit for this miracle? Who is the main character (again) of this story?
5. Read Acts 3:14-26. Again Peter shares his faith. (Notice again - Spirit arrives, miracle occurs, church does "churchy things"). What is similar to Peter's message in Acts 2? What is different? Why does this matter?.
