### Luke 9:37-62

1. If you had just seen all of Luke 8 and 9 happen, how disconcerting would it be to hear that Jesus was going to leave (v44)? Would you feel qualified to “pick up where He left off? Why or why not?
2. How is “taking up your cross” (v23) and “puts his hand to the plow” (v62) a similar call? How have you done with taking up your cross and putting your hand to the plow? Are you “on mission” with Jesus in your life?
3. There are many marks of being a follower of Jesus. Three significant ones (found in John 13:31-38) are 1) Unending occupation with the glory of God 2) Unfailing love for the children of God and 3) Unswerving loyalty to the Son of God. Grade yourself quickly on these three and share why. How are you/we doing here?
4. What is one challenging thought from today/tonight that we can keep you accountable to in your life this week? Pray to end the meeting to this end!
