Ephesians 4:17-24

1. Who is Paul writing to in this book? Why the distinction re: Gentiles?
2. Consider these phrases from verses 17-19: futility of mind, darkened understanding, alienated from God, ignorance in them, hardness of heart, callous, given to sensuality, greedy, practice impurity. How does this describe you prior to faith in Christ? Does this describe you in any way today? How should we then view our non-believing friends?
3. How have you been “taught in him?” Are you convinced that the “truth is in Jesus?” Why? How does/should this affect your daily life, your attitudes, your responses to people and situations?
4. We are told to “put off” and to “put on” in these verses. (also Col 3:5-10) What does it mean to be “renewed in the spirit of your minds?”
