## Day 19 Made to Worship Isaiah 43:21

- You were made to worship God and bring pleasure to him. You have an assignment on planet earth that is more than taking care of you and your needs. We are created to worship God; that is our primary purpose for living. Every product exists for a purpose determined by the manufacturer and not the product. You were made to Affirm:
  - I am made to worship and it's my privilege to worship.

## **Prayer:**

• Father, you are worthy of my worship and praise. I give freely of myself to show forth your goodness.
