

Day 21 Made for More

Ephesians 1:18-19a

- We were made for more! More than this failure, more than this vicious cycle of defeat, more than being ruled by our appetites, body image, rationalizations, and guilt. We were made for victory. You are more than what you see right now. Accept that truth today.

Affirm:

- I was made for more!

Prayer:

- Dear Lord, thank You for the truth that I am made for more. Show me a new perspective as I honor You with my choices. In Jesus' name. Amen.
