

Greater Endowments

Scripture: Do not neglect the spiritual gift within you, [that special endowment] 1 Tim 4:14

Endowments are gifts (usually monetary) meant to provide long-term support for a particular cause. When we see endowment in scripture it is often used in the bible along with gifts/talents and understanding (Daniel 1:4, 2 Cor. 2:13). When God endows us with gifts and understanding He does so to support His cause. What gifts have you been given to push forward God's Will in the earth? What understanding do you have on any given topic that would benefit the Kingdom? As we pray for greater endowments, may we pray that God give us gifts and understanding. May we also pray that we are gifted with the resources needed to push God's Plan forward in the earth. Whether it's finances, gifts, opportunities, open doors, favor or influence, may we experience greater endowments.

Affirm: I have been endowed with gifts to push the legacy of the Kingdom forward.

Pray: God, I thank you for the many gifts, talents and resources that you have given me. I am grateful for your kindness. Amen!
