

Let's Get Clear

And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:1

1 John 5:14

Meditation: God's Word and Will require clarity. We never want to find ourselves unsure about what God is saying about His Will for our lives. It's important we search His Word for clarity about His directives and to ensure we are in alignment with His Will. Strong knowledge of the Word and a consistent prayer life will bring you an assurance of what God is saying.

Reflection: Am I lacking clarity about what God is saying about my life? If so, in what areas of my life do I need more clarity?

Prayer: Lord, I thank you that you speak and that you speak clearly. Thank you for opening my ears to hear what you have to say concerning my life and I am grateful that your Word brings me assurance that I would not know otherwise.
