

Greater Audacity

Scripture: Since, then, we have such a hope, we act with great boldness. 2 Cor. 3:12 (CSB)

Audacity is the willingness to take bold risks. Your season of greater is waiting on you take the risk. Godly audacity is the willingness to be bold and have a come what may kind of attitude when the vicissitudes of life would come to discourage you. You have to be audacious when pursuing the fulfillment of purpose in your life. Humans have a proclivity to do what's comfortable and shy away from what is not. But Godly Audacity requires that we rise to the occasion and take the leap. You are one leap of faith away from greater. Take the leap! When it gets hard, take the leap! When the mountain seems unsurmountable, take the leap! Be audacious.

Affirm: I take bold steps toward destiny because I am audacious.

Pray: Thank you for empowering me to live a bold, audacious life. I stand and walk in faith without fear of what is to come. Greater is my portion in Jesus' Name!
