

Day 18 Made to Serve

Matthew 5:16

- Sharing your light with others means serving those around you. Service can sound overwhelming but when you do it as unto the Lord, it gives you a different perspective for your why. Jesus came as a servant to all mankind, and as His disciples we must serve those around us.

Affirm:

- I am made to serve. I serve joyfully knowing that God gets the glory!

Prayer:

- Lord, thank you for giving me opportunities to share my light through service, amen.
