

Your Future Matters

Let not your heart envy sinners, but continue in the fear of the LORD all the day. Surely there is a future, and your hope will not be cut off.

Proverbs 23:17-18

Growing up we were encouraged by our elders to not be haphazard in our decision-making. We were encouraged to make wise decisions that position us for a promising future. Do not get distracted or discouraged, it is safe to have hope for a future simply because He promises that He has a future for us

Hold onto hope and put in the work, God has a future that cannot be compared to what you are experiencing right now.

His promises are sure.

Ask Yourself

1. Have I been living in fear of the future?
2. What promises or testimonies can I rehearse to build my faith for the future?

Affirmation

I believe God for my future. My future ends in victory. I do not have to fear the outcome of any trial because God is fighting for me. I have something to look forward to every day. My future is sure in God.
