

## Stewarding Greater

**Scripture:** You have been faithful over a little; I will set you over much. Matt 25:21 ESV

Walking in your greater season means that you are maximizing your God-given potential. Greater comes as a result of you stewarding what God gave you. Maintaining what God gives you is great, but stepping into greater requires you to maximize what He gave you. The real upgrade comes when God can trust you with more. Maximize your little so that you can learn to manage the much!

**Affirm:** I steward well what God has given me in preparation for the greater He has for me.

**Pray:** Lord, you make the difference in my life and I am grateful for your many blessings. Thank you for giving me strategy to not only manage and maintain, but also to maximize what you have entrusted to me. Thank you for making me a great steward. Amen!
