

# Home is a Place of Restoration

*And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast.*

1 Peter 5:10

God has designed for us to be restored. He is too kind of a father to allow us to experience the issues of life and find no relief. God is mindful of our suffering and His lovingkindness allows for restoration. He sits high but He looks low. So even at our lowest, God has a plan to bring us into restoration. He restores our souls. He restores us and makes the difference in our lives.

## A s k   Y o u r s e l f

1. In what areas do I need restoration?
2. How can I foster vulnerability with God to allow restoration in my life?

## A f f i r m a t i o n

I am restored. I am safe. I am covered. God's restoration is evident in my life. I am open to being restored and I trust God to fill what has felt empty. I am full, ever abounding, and overflowing in goodness simply because I belong to God and He loves me.
