

Greater Observation

Scripture: ...your eyes focused and clear, so that you can see exactly what it is he is calling you to do... Eph. 1:18 (MSG)

In our asking for ability, we must also ask for greater observation. We need the ability to see and recognize opportunity and open doors. God's delay is not His denial. We have to see things through faith-aligned glasses. We must lean into the leading of the spirit. Having greater observation means being present to recognize that things are moving around you. Often, we can get spiritual amnesia where we forget that God causes all things to work together. Some of the things he uses are not what we want. But just because we did not want them, does not mean they were not suitable for His use. Observe the blessings and benefits that are around you. God is working and preparing you for greater.

Affirm: I see clearly what was once hidden and I observe the goodness in my life.

Pray: Father, thank you for making my vision clear. Help me to see every opportunity and every open door. Take the blinders off, Amen!
