

The Greater Good for Greater Glory

Don't you know that I could call on my Father for help, and at once he would send me more than twelve armies of angels? But in that case, how could the Scriptures come true which say that this is what must happen?"
Matt 26:53

Meditation: Life will bring you to a place where you ask yourself "am I going to please God or am I going to satisfy my flesh?" We must live a life that pleases God and brings Him glory. We would have never had the glory after the grave had Jesus decided differently.

Reflection: Have you been glorifying God with your decisions? What decisions can I make to best please God?

Affirmation: I choose God's Will over my own. My decisions are weighty and I don't make light of my impact. Giving God glory brings me joy.
