

Greater Exploits

Scripture: They that know their God shall be strong and will do great exploits. Daniel 11:32 (NKJV)

For those that love God and believe in Him, we all desire to do great things in His name and for His glory. We all have observed believers who did good things but missed the mark for greatness because they were not doing God's will for their life. The difference between good and great is the God Factor! God gives instructions to those who will listen. The scripture hinges doing great exploits on knowing God. Do you know God's voice? Do you know what God wants from you in this season? When you're doing anything, make sure you have the God factor because those that know Him will do great exploits.

Affirm: I will do great exploits for God's glory

Pray: Father, help me to do your will and to know you well. You are good and holy. To know you makes room for greater to enter my life. Thank you that I am in right relationship with you! Thank you for empowering me to do great exploits !
