

Day 20 Made for Power

2 Corinthians 12:7

- You are made with power. Often life would come to make you feel powerless, but in your weakness, God's strength is perfected in you. Power is your portion so walk in the authority and power you've been given. You have power at work in you.

Affirm:

- I am powerful. God's strength is available to me.

Prayer:

- God, you are the all-powerful one and I thank you for extending that power to me.
