

Serving Greater

Scripture: “whoever desires to become great among you must be your servant...”Matt 20:26

Greatness does not come without service. Who are you serving? Whose life are building and bettering? Whose vision are you supporting? Or are you only being self-serving. Greatness is not a selfish matter, but it is a service matter. The evidence of greatness is irreplaceability. You have to position yourself as a benefit to those around you so that should there ever be a time you leave a place, the people you leave behind are better off once you are gone. How are you serving? The greater you've been praying for is on the other side of service. Keep serving and watch the greater meet you.

Affirm: I serve in excellence with excellence because my service is unto the Greater one

Pray: Father, help me to serve with a heart like yours. Help me to be committed to the assignment at hand to serve with kindness, gentleness and a heart postured in humility. Thank you for making me a benefit to those around me, Amen!
