

# Day 12 Made Whole

John 5:6

- When operating from a place of brokenness you do not always see the ability to be whole but God desires that for us. He desires that we be made whole but we must desire it for ourselves too. Jesus asks "Wilt thou be made whole?" And that's the question for you today, will you be made whole today?

## Affirm:

- I am made whole. Nothing missing, nothing broken, nothing lacking.

## Prayer:

- Lord, I thank you that through your power and your perfecting I am made whole today, amen.
