

# Day 10 Made for Sonship

John 1:12

- We were made joint heirs with Jesus. Because of this, the power, authority, dominion and blessing that was given to Jesus was also given to us. We do not have to cower in the face of challenges but we have Kingdom rights that ensure our success, victory, and abundance. You are the children of God.

## Affirm:

- I live like a child of God because I am God's child. I trust His Word about me.

## Prayer:

- God, I thank you that you for the reminder that you are my Father. You are a good father and I'm grateful, amen!
