

No More Confusion

For God is not the author of confusion, but of peace, as in all churches of the saints.

1 Corinthians 14:33

Meditation: Confusion is the lack of clarity. The only way to get clear is to immerse yourself in God's Word. Confusion comes to cloud your mind with doubt and uncertainty but God's Word is a lamp and a light! Clarity comes easily when truth abounds, so go where the truth resides. Get in the Word and rehearse God's truth and watch the cloud of confusion dissipate.

Reflection: In what areas do I feel confused or experience confusion? What truth can I speak to those areas to destroy confusion in my life?

Prayer: God, you are not the author of confusion but you desire me to be clear and sure of your Word. Help me to live your truth and bring back scripture to my mind when confusion rears its head. God I thank you that you've given me truth and that I do not fear the unknown because you know all!
