

# Focused Faith

*Let your eyes look right on [with fixed purpose], and let your gaze be straight before you. Consider well the path of your feet and let all your ways be established and ordered aright. Proverbs 4:25-26*

**When we are believing God for something, we must make sure that we stay focused on the goal. We cannot let our limiting beliefs, limited perspective, nor our personal limitations deter us on our journey toward our goal. Focused Faith is faith that is resolved in not just God's ability but also God's willingness to manifest His will and desires in our lives. Get focused in your efforts, your confession and your belief. Then Watch God Work.**

## **Ask Yourself :**

What am I believing God for? In what areas does my faith need to be more focused?

## **Affirmation:**

I am full of faith and sure of God's plan for my life. I am resolved and assured that God desires good things for me. Because faith without works is dead, I partner with God in process.
